PROFESSIONAL SUMMARY

Artificial Intelligence undergraduate with hands-on experience in Computer Vision, Python development, and web technologies. Skilled in building real-time vision-based applications using OpenCV and facial recognition systems. Passionate about developing intelligent, user-focused applications that combine AI, automation, and modern web technologies.

EDUCATION

B.Tech in Artificial Intelligence (4th Year)

GH Raison College of Engineering and Management, Nagpur (2022 – 2027)

TECHNICAL SKILLS

AI & Computer Vision: OpenCV, Face Recognition, TensorFlow, NumPy

Programming: Python, Java, C++

Web: HTML, CSS, React, Flask

Tools: Git, GitHub, VS Code, Figma, Miro, Wireframing

PROJECTS

Face Recognition Login System | Python, Flask, OpenCV, Face Recognition, SQLite, HTML, CSS

- Developed a biometric authentication system using facial recognition instead of traditional passwords.
- Implemented face registration and login using 128-dimensional facial embeddings.
- Built a Flask web application with session management and SQLite integration.
- Designed a responsive interface for secure user authentication.

Hand Gesture Recognition System | Python, OpenCV

- Built a real-time hand gesture recognition application using webcam input and computer vision techniques.
- Processed and tracked hand movements for gesture-based interaction.

Color Detection System | Python, OpenCV

- Developed a real-time color detection and identification system using image processing techniques.
- Utilized webcam-based analysis for dynamic color recognition.

EXPERIENCE

UI/UX Designer Intern | Wandile Ventures Pvt. Ltd. (Feb 2025 – Sept 2025)

- Designed wireframes and user flows for the Looksyy e-commerce platform.
- Created UI layouts and prototypes using Figma and Miro.
- Improved usability through structured interface design and workflow planning.
- Collaborated with AI tools such as ChatGPT and Gemini during the design process.

CERTIFICATIONS & TRAINING

• MKCL KLiC Diploma in Programming

Coursework: Python, Java, C++

• TensorFlow Certification

GeeksforGeeks
